Dear Financial Advisor,

As part of efforts to ensure that it receives the finest asset management, the MHC Healthcare Foundation Board of Directors is issuing a request for proposals-RFP (enclosed) and inviting your organization to submit a response to be considered as a potential new financial manager for its corporate investments.

MHC Healthcare is a 63 year old federally qualified health center (FQHC) which provides primary healthcare to the residents of greater Tucson and surrounding communities. Operating from 16 locations across southern Arizona we currently have 550 staff, 59,000 patients, and provided nearly 270,000 patient encounters last year. The MHC Healthcare Foundation was founded in 2005 and, while young, is growing financially and strategically in order to support the operations and programs of MHC Healthcare. Our website is: [MHCHealthcare.org/Foundation/](http://MHCHealthcare.org/Foundation/) where you can learn more about us.

All necessary information you may need is contained within the RFP. We intend the process to last from September 15 through December 20, 2020 with start date scheduled to commence around January 01, 2021.

Thank you for your interest and consideration in responding to this RFP. We look forward to receiving your response.

Sincerely,
